

Hertsmere membership report December 2023

	Number of members
23/21/2022	106
23/11/2023	114

We've recruited 7 new members in the last year. 1 member has died. 3 have moved away.

Susie Hendy volunteered to be the membership secretary last December. The high point of her tenure was a very enjoyable and successful fundraising quiz night in March. Sadly she has had to cut back on her volunteering and could not continue in the role.

Fortunately one of our newer members, Dan Smith, (whose day job is volunteer manager for a children's hospice charity), has agreed to take on the Membership Development Officer role for the next year.
